Record Your Own Shoe Stories

Read Pope Francis' World Mission Day Message and use his inspiration to record:

#Shoestories

Go to www.shoestories.org.au to see how you can leave your mark on the world and change the world – one shoe story at a time.

“I am a mission, always; you are a mission, always; every baptized man and woman is a mission. People in love never stand still: they are drawn out of themselves; they are attracted and attract others in turn; they give themselves to others and build relationships that are life-giving. As far as God’s love is concerned, no one is useless or insignificant.”

Pope Francis' World Mission Day statement, 2019

Create and record your own “Shoestories” telling others:

- How someone or something in your school has made a difference to who you are or your perspective on life.
- Why you think it is everyone’s responsibility to do what they can to help make the world a better place.

Create and record your own “Shoestories” telling others:

- How I am mission on this earth.
- Of a time in your life when you felt very loved or showed love to another.
- How social networks and the digital world can be used to help bring about positive change.
